

David A. Grimaldi

February, 2014

Curator and Professor
Division of Invertebrate Zoology
American Museum of Natural History
Central Park West at 79th Street
New York, New York 10024-5192
Telephone: 212-769-5615, -5277 FAX
Email: grimaldi@amnh.org

RESEARCH INTERESTS

Diversity, fossil record, and evolution of insects; fossilization in amber; species-level systematics and biology of Drosophilidae and other Diptera; the evolution of biological communities (particularly tropical forests), evolutionary history of insect pollination and phytophagy; extinction and environmental change; biological illustration and imaging; history of science.

EDUCATION

B. Sc., 1979, University of Connecticut. Majors in Biology and Fine Arts.
M.Sc., 1983, State University of New York, Binghamton. Major in Evolutionary Biology
Ph.D., 1986, Cornell University, Entomology.

POSITIONS

1986-1991: Assistant Curator, American Museum of Natural History.
1988-present: Adjunct Professor, City University of New York (Graduate Program in Ecology and Evolutionary Biology).
1991-1996: Associate Curator (tenured), American Museum of Natural History.
1994-present: Adjunct Professor, Cornell University (Department of Entomology).
1994-1999: Chairman, Department of Entomology, American Museum of Natural History.
1996-present: Curator, American Museum of Natural History.
1995-present: Adjunct Professor, Columbia University (Department of Ecology, Evolution, and Environmental Biology).
2008-present: Professor, Gilder Graduate School, Program in Comparative Biology, American Museum of Natural History

PRESENT AND FORMER STUDENTS AND POSTDOCS:

Vladimir Blagoderov, Presently: Natural History Museum, London.
Enrique Penalver, Presently: Curator, Museo Geominero, Madrid.
Valerie Schwarcz, Presently: Associate Professor, Baruch College, CUNY.
Rudolf Meier, Presently: Professor, National University of Singapore.
Caroline Chaboo, Presently: Assistant Professor, University of Kansas.
Torsten Dikow, Presently: Research Entomologist, Smithsonian Institution.
Jessica Ware, Presently: Associate Professor, Rutgers University, Newark.
Isabelle Vea, Presently: Postdoctoral Researcher, University of Nagoya, Japan.
Philip Barden, currently (started 2010): Phylogeny and fossil record of the basal lineages of ants.

CURATORIAL RESPONSIBILITIES

Lepidoptera, Diptera, Isoptera, minor Holometabolous orders, fossil insects and amber.

TRAVEL: Fieldwork, Museums

AFRICA: Tanzania (1995), Republic of South Africa (2005). **ASIA:** Vietnam (1998-2000), India (2008-present). **AUSTRALIA:** 2003, 2008. **EUROPE:** Austria (1996), Denmark (1998), England (1990, 1995, 1999, 2000, 2002), Germany (1994; 1996, 2009, 2010, 2011), Greece (2007), Hungary (1996, 2011), Italy (1995-2008), Poland (1996), Russia (1995, 2002), Scotland (2010), Slovakia (1992), The Netherlands (1995). **PACIFIC:** Hawaii (1993), Fiji Islands (2008), New Caledonia (2008). **NORTH AMERICA:** Alaska (1998, 2001), Arizona (1990-2000), Arkansas (1992), Florida (1995-2000), New Jersey (1992-1998), South Dakota (2010), Virginia (1998-present), Wyoming (1997-1999), Washington state (1994), Washington, D.C. (1985-present), **SOUTH AND CENTRAL AMERICA, CARIBBEAN:** Costa Rica (1989, 1991, 1993, 1995, 1999), Brazil (2000), Dominican Republic (1990, 1991, 1992, 1995), French Guiana (1997), Panama (1985, 1988, 1999), Peru (1984), Venezuela (1989 1991, 1993), Virgin Islands (British and U.S.) (1990, 1992, 1993).
